**FOREST CERTIFICATION SCHEMES (PEFC)**  
**POLICY STATEMENT**

For our range of Moulded Panel Fire / Safe & Sound Doors it is the policy of Premdor to utilise sources of certified or controlled materials as defined by PEFC standards.

To achieve this policy Premdor, will establish and maintain an efficient and effective documented management system which meets or surpasses the requirements of the PEFC standards.

It is also our policy for the above range of doors to purchase material that has been evaluated to conform to the definition of 'sustainable forest management' and supports the following :-

- Maintenance and appropriate enhancement of forest resources and their contribution to global carbon cycles;
- Maintenance of forest ecosystem health and vitality;
- Maintenance and encouragement of productive functions of forests (wood and non-wood);
- Maintenance, conservation and appropriate enhancement of biological diversity in forest ecosystems;
- Maintenance and appropriate enhancement of protective functions in forest management (notably soil and water);
- Maintenance of other socio-economic functions and conditions.

Through PEFC chain of custody the Directors and Employees of Premdor demonstrate their commitment to environmentally and socially responsible forest management .
